

Covid-Era Transportation

Safety Expectations and Guidelines

for the Alburgh Community Education Center

- *We encourage parents to drive their children to/from school if possible.*
- *All students must be accompanied at the bus stop in the morning by a parent, or designated adult who can take responsibility for the child. If this cannot be arranged by the parent/guardian, the bus will not stop and the child will not be permitted to ride. No exceptions. [Note: In the afternoon, parents or a designated adult, do not have to be present for students in the sixth grade and above].*
- *All students must submit to, and pass, a health-screening at the bus stop in order to be allowed to board the bus. The staff member conducting the screen will make the final decision, based on the outcome, of whether the child may ride on that day. No exceptions.*
- *All students must wear a mask while riding the bus; as will the driver and the aide.*
- *All students will be assigned seats on the bus. Siblings, and students from the same household, will be in the same seat, and all students will load from the back seat of the bus, to the front. Students in the front will, in turn, exit the bus first to minimize contact or proximity to other students.*
- *When outside temperatures allow (at 45 degrees Fahrenheit and above), windows and vents will be open to increase the circulation of fresh air.*
- *Buses will be cleaned and disinfected daily by the drivers. High traffic areas will be wiped down twice per day.*
- *Until further notice, we will not be entertaining permission 'notes' from home for students who do not ordinarily ride the bus or for switching to another bus. Requests may be considered for address changes, due to relocation within the town, or permanently designated stops other than home, if such changes can be accommodated.*

Remember, these are 'approximate' pick-up times and are subject to change, particularly at the beginning of the year. As a rule, all students should be ready 5 minutes prior, and understand that actual times may fluctuate five minutes, or so, in either direction, due to weather conditions and variations in ridership which are beyond the control of the driver and/or the school. Again, this will likely be even more apt to be the case at the beginning of the year.

We appreciate your patience, especially in these challenging times.

Bus “A” (Morning Run) *Cohort B Tuesday/Friday*****

7:10am Pick up Aide at *Alburgh Community Education Center*

Turn Right on Champlain Street

Turn Left on Rt. 2 South

Turn Left on Rt. 78 East
